### Chapter 1 by PuppyLover

Do you really want to go now,  
Be alone now just be on your own,  
And I said please no,  
And you said please go,  
When'd you know,  
When'd you'd go,  
You said we had good times,  
And I try not to cry,  
You say goodbye.

Goodbye- Eysa H. (me)

Never thought I would have to say goodbye so fast. Everything happened so rapidly. It was scary. I didn't get to say goodbye to anyone. Only you knew that I was gone, but I bet you didn't care, because I bet you were just happy that you could break the bond with me so you could

blab my secret to every open heart in the world.
